CORPORATE PROFILE

Welcomes you to the new journey with Bajaj Tiles.....

Bajaj Tiles is the India's renowned wall tiles brand. Since 1992, it is also leading manufacturer and exporter. It has manufacturing capacity about 72 million sq.ft. per annum. It has been awarded ISO 9001 : 2000 certification for quality management system.

Design, innovation and Creativity is core objective of company to satisfy its customer. Keeping this objective in mind, Bajaj Tiles has adopted the revolutionary technology - Rotocolour Printing Technology for high quality printing effects. The efforts and dedication of R & D department at Bajaj Tiles has proved the vision of the company.
